## **2024 RULES OF PLAY – MAJOR 11/12**

### **A. OVERVIEW**

The spirit of the Mentor Baseball League is to help youth play ball safely, while assisting them to learn about the game, team camaraderie, and good sportsmanship. Please encourage cooperation on and around the playing field, because this activity is conducted for the benefit and enjoyment of all participants: the players, managers, coaches, parents and fans.

Any injury during participation, other than a minor scratch or bruise, requires immediate treatment by a trained healthcare professional. Please call 911 if warranted, err on the side of caution. The injuries need to also be reported to the commissioner and league president immediately.

The rules presented herein have been established by the Mentor Baseball League Board of Trustees, based upon recommendations presented by the commissioners and managers from each of the divisions. Revisions to these rules must be presented to the board for consideration, approval and inclusion. Agreements between managers and commissioners do not signify a legal rule change.

With the exceptions listed herein, the official NFHS High School rulebook will be used as the governing instrument for game officiating. Interpretation or clarification of any rule contained herein or in the official High School rulebook shall be made by the Mentor Baseball League Board of Trustees.
